

Seminars Information

Please see below the information that you will need for Seminars at **SOULMATES WEEKEND 2018**.

You can book your seminar choices through [IMYC's website](#).

In a change from our usual format, seminars are going to be organised differently.

During session 1, all of our 9-11s will be going to the Assembly Hall to have a session with JMA. Meanwhile the 11-13s will have a choice of four seminars.

During session 2, the 9-11s will have a choice of four seminars while our 11-13s will be going to the Assembly Hall to have a session with JMA.

- Seminars and workshops are first-come-first-served so book early to ensure that your group get their first choices.
- The age ranges for seminars are **9-11** and **11-13**. Please exercise discernment in choosing which one would be most suitable for each 11 year old. Our recommendation is that 9-11 are Primary School aged/ up to 5th class, and 11-13s are Secondary School aged/ up to 6th class.
- Please ensure that **all choices are filled** for each child otherwise if you don't their choice cannot be made, we will have to make the assignment according to where there is space.

2	Prayer	
Prayer - When to pray? In Church? Before we sleep? Only if you use big words? In this seminar we will explore just how simple and exciting a life of prayer can be.		
3	Bible Study	
Giants, lions, sword fights, lost ears and wars - not an episode of Horrible Histories, all these exciting stories can be found in the Bible. But how do we best open this amazing book and learn from it today?		
4	Musical Worship	
Musical Worship - Always wondered why we sing songs to God? Learn about this and explore how we can use our words to glorify God.		
5	JMA	
After his awe-inspiring main-stage appearance, we're giving Tim his very own seminar. He'll be joined by the marvellous Laurak and they'll take us through the wonderful world of Junior Mission for All. Come and be prepared to be astounded, amazed and inspired.
